Breeze Pass Easter Egg Hunt

Join the hunt today...

To celebrate Easter in the most egg-cellent way, we have hidden 70 Easter Eggs across Leeds and surrounding areas - and we're inviting you to make it your mission to find them! Eggs are worth points and points win prizes.

All you need to play is your Breeze Pass App, and your adventurous spirit.

Don't have a Breeze Pass? No Problem! Just visit breezeleeds.org for more info and how to apply and get yours today!

How to play...

There's a City Centre map to follow, but you may also need some luck. Watch out for clues on social media, just in case you get stuck. Some eggs are big, some are small, search the City to see if you can scan them all!

When you spot one, whip out your phone - but don't lose focus now, stay in the zone. You'll need to open your Breeze Pass App, and select the QR scanner with a little tap. Aim towards the egg and scan the code, now off you go, you're in mission mode.

Prizes to be won...

Build up your points by scanning the hidden eggs, City Centre venues will score you more, but points can also be gained in your local area, so get out and explore!

We have some great prizes up for grabs...

Will you be the highest scoring member...?
